IMPORTANT SAFETY INFORMATION - READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

⚠ WARNING - Seizures

Some people (about 1 in 4000) may have seizures or black outs triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.

Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.

Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions
Altered vision

Eye or muscle twitching
Involuntary movements

Loss of awareness
Disorientation

To reduce the likelihood of a seizure when playing video games:

1. Sit or stand as far from the screen as possible.
2. Play video games on the smallest available television screen.
3. Do not play if you are tired or need sleep.
4. Play in a well-lit room.
5. Take a 10 to 15 minute break every hour.

⚠ WARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin irritation:

- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

⚠ WARNING - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

Story

One day, Boss needed a favor. He was just about finished with his most recent Clubhouse project, and he wanted to gather all the **Ham-Hams** so he could share his secret with everyone at the same time. But he was so busy working on his surprise, he knew that he wouldn't have the time to find everyone by himself. So he decided that he should find someone with some free time to help him out.

As luck would have it, Hamtaro happened to walk by just then! Boss asked him to find all the **Ham-Hams** and bring them back to the Clubhouse. To help Hamtaro get started, Boss told him about **Ham-Chat**, the Ham-Hams' secret language, and taught Hamtaro a few **Ham-Chat** words. Boss then told Hamtaro to use the **Ham-Chat** words to find all the **Ham-Hams**. Then Boss went back to work, and he told Hamtaro to get going!

What could Boss's big surprise be?

Continuing a Saved Game

Your progress is automatically saved each time you play. If you choose Continue, you'll start from the place you were when the power was turned off. If you have already started a game, choosing New will bring up a message that says "Starting new game erases saved data. (Traded dance data is saved.)" Early in the game, Boss asks you to enter your name. Your name will start out as Hamtaro on the name-entry screen (see window to the right), but you can change it to any name up to seven characters.

When a new area opens, a Sunflower Marker appears over its location on the map. You can go from place to place by moving the Hamtaro cursor onto a Sunflower Marker and pressing the A Button.

The Clubhouse is the center of your adventure. Here, you'll run into Boss and get regular updates about your progress. Snoozer will also tell you things about where the Ham-Hams are hanging out. At the Clubhouse, each Ham-Ham has his or her own room, and there's also the Dance Room where you can practice your Ham-Jams! Be sure to look everywhere!

Learning Ham-Chat

Ham-Chat is the secret language that Ham-Hams use to communicate with each other. At first, you'll know only a few words, but with some practice, you'll quickly learn them all!

Collect Ham-Chat Words

Say "Hamha!"

Try speaking to all the hamsters you find. You'll learn more about the Ham-Hams and Ham-Chat that way. (During a conversation Ham-Chat words will appear in red lettering.)

New Ham-Chat Words

Any Ham-Chat words you learn are recorded in your Ham-Ham Notebook. (Please see pg. 18 for more details.) A "?" in your Ham-Ham Notebook represents a Ham-Chat word you haven't learned yet. Often, using a new Ham-Chat word on a hamster you've already spoken to will reveal even more information.

Use Ham-Chat!

Most of the time, you can choose from four basic Ham-Chat words. These words are essential for finding all the Ham-Hams.

Hamha (meaning: Hello)

Use this cheerful greeting when meeting other hamsters.

Hif-Hif (meaning: Sniff)

Use this to smell things. You also use this to pick something up off the ground.

Tack-Q (meaning: Roll)

Use Tack-Q to roll into something. Who knows... If you roll into a tree, something might fall out. Try using Tack-Q creatively – you might be surprised!

Digdig (meaning: Dig)

Use Digdig to dig in soft ground. You never know what you'll dig up! You can also use Digdig to enter any Entrance/Exit Holes, including tunnels.

Find the Ham-Hams

When you find hamsters, use some Ham-Chat words right away! They might give you hints about where to find other Ham-Hams.

Explore!

When you get a hint about a location, go check that place out. Look everywhere!

Ham-Hams at the Clubhouse

The Ham-Hams won't always go back to the Clubhouse easily. Don't give up! Just keep trying all the Ham-Chat words you know!

Ham-Hams at the Clubhouse

When you've convinced the Ham-Ham to go back to the Clubhouse, you will automatically walk back. As soon as the Ham-Ham's home, get back out there and find the other Ham-Hams!

Please Note:

Ham-Hams back at the Clubhouse like to hang out in their rooms, but they especially enjoy talking to visitors! Be sure to visit each Ham-Ham back at the Clubhouse. There just might be a few surprises if you do.

🐱 It's time to trade!

Once the transmission is ready, align the communication arrow on the top of each Game Boy® Color system and bring them to within 2 inches of each other.
